## **GRENZELOOS STAMBOOMONDERZOEK**

EEN HANDLEIDING

# *Our Family Tree*

*“Het leren kennen van onze voorouders helpt ons om beter te begrijpen wie we zelf zijn, scheidt een familie band, linkt het heden met het verleden, en bouwt een brug naar de toekomst.”*

# INLEIDING

Het verhaal van uw familie schrijven betekent het verzamelen van namen en datums, oog hebben voor allerlei documenten en oor hebben voor verhalen. Vele uren tijd besteed je aan zoeken, onderzoeken, klasseren, interpreteren... en aan je verplaatsen naar archieven. Want je wil natuurlijk je onderzoek zoveel mogelijk baseren op de oorspronkelijke bronnen, bijvoorbeeld de aktes van de burgerlijke stand. De verplaatsing naar een archief of een documentatiecentrum kan vaak een grens betekenen in je onderzoek. Je moet er (over) heen, maar het vraagt tijd en moeite. In onze moderne tijd met email en fax wordt dit vaak opgelost door een vriendelijke vraag om hulp en bijstand te sturen. Maar zo word je afhankelijk van de goede wil, de inzet en de kennis van anderen.

Erfgoed Lommel en Family Search wilden dit probleem aanpakken door gebruik te maken van de mogelijkheden van onze hedendaagse digitale wereld. De vrijwilligers van Erfgoed Lommel maakten een degelijke index op de aktes van de burgerlijke stand van Lommel – geboortes, huwelijken en overlijdens - van 1808 tot en met 1912. Family Search beschikte over de digitale scans van deze aktes. Index en digitale aktes met elkaar verbinden: dat was de uitdaging. Family Search stelde kennis en software ter beschikking en Erfgoed Lommel zorgde voor het betere 'plakwerk' waardoor index en aktes verbonden geraakten.

Beide organisaties werkten met succes samen. Het is nu mogelijk om via de website van Family Search <https://familysearch.org> van overal ter wereld online op naam te zoeken in de aktes van de burgerlijke stand van Lommel van 1808 tot en met 1912. Je krijgt dan de gegevens van de gezochte persoon te lezen en bovendien kan je ook de oorspronkelijke akte op je scherm raadplegen.

Volledig grenzeloos wordt het stamboomonderzoek hier natuurlijk niet mee. Je moet immers over een computer en een internetverbinding beschikken. En je moet weten hoe te zoeken. Maar daarom maakten we deze beknopte en (hopelijk) duidelijk handleiding. Je krijgt in ieder geval meer tijd om oor te hebben voor familieverhalen en oog te hebben voor andere documenten tijdens je bezoek aan een archief of een documentatiecentrum.

We wensen je veel plezier met het schrijven van je familiegeschiedenis!

Klik links bovenaan op “België”

The screenshot shows the FamilySearch website interface. At the top, there are navigation links for "Family Tree", "Memories", and "Search". Below this, there are tabs for "RECORDS", "GENEALOGIES", "CATALOG", "BOOKS", and "WIKI". On the left side, there is a filter panel with a search box for "Collection name" and a "Place" section. The "Place" section is expanded to show a list of countries, with "Belgie (14)" circled in red. Below the "Place" section is a "Date" section with a list of time periods. The main content area is titled "Historical Record Collections" and shows a list of 451 collections. The list is sorted by "Title" and includes columns for "Records" and "Last Updated". The collections listed include records from Armenia, Austria, and Belgium.
